CHARLES HULL CONTRACTING

HEALTH AND SAFETY POLICY

Charles Hull Contracting is committed to protecting the health, safety and welfare of its employees, contractors, visitors, and the wider community, and believes each individual plays an important role in meeting this commitment.

To fulfil this commitment, Charles Hull Contracting will:

- Protect the health, safety and welfare of workers and other people who might be affected by Company operations, so far as is reasonably practicable
- Provide and maintain safe plant and equipment, and safe systems of work that enable all workers to operate in a safe and efficient manner
- Maintain and implement a robust health and safety management system (ISO 45001), that complies with relevant legislation, standards, and codes of practice
- Implement appropriate risk management processes, and appoint competent persons to roles that support the overall management of risks associated with Company operations
- Ensure workers are given the necessary information, instruction, training, or supervision to enable them to do their work in a way that is safe and without risks to health
- Conduct annual audits, manage performance objectives, and continually monitor progress to ensure ongoing improvement and ensure leading industry practice is observed

All employees, contractors and visitors within our workplaces have a mutual Duty of Care to ensure that the take responsibility for their own actions and work as a team to achieve a workplace that is injury free.
